I am a Veterinary Assistant, having completed my training through Sheridan College, Mississauga, Ontario in 1979. and worked within various Veterinary Hospitals with small animals and wildlife in Ontario and B.C. until my daughter was born in 1997. In 2000, I recognized a need for compassionate, quality and professional in-home care for our beloved pets. Particularly senior and special needs animals. Merry Puppinns Petsitting Services has been in successful operation since 2000 in the Kootenay region of B.C. and in Nanaimo and surrounding areas since May 2019.

I have recently updated my Pet First Aid (Certified 2020) through ProPetHero, an online Pet First Aid/CPR course delivered by Dr. Bobbi Conner DVM Professor of Veterinary Medicine and Critical Care at the University of Florida.

I am fully Insured & bonded through ProFur Insurance for Canadian Pet Care Professionals.
